ABOUT THE COVER

The PDEA Annual Report 2020 cover depicts the courage that the Agency demonstrated in intensifying the anti-illegal drug campaign in spite of the challenges of the COVID-19 pandemic. It showcases various operational accomplishments of the Agency anchored on the main strategy of the government which is Barangay Drug Clearing Program (BDCP). Led by Director General Wilkins M Villanueva, PDEA continues to intensify the implementation of the BDCP with the goal of clearing all drug-affected barangays in the country and freeing the nation from the clutches of illegal drugs.

The cover also emphasizes one of the notable efforts of the Agency for the year which is the Barangay PDEA, the tool used by PDEA to reach and connect to the community and to let them be aware and be involved in the country's fight against illegal drugs. In addition, the intense and bright colors of the cover symbolize the burning desire of PDEA and its personnel to save the country from illegal drugs.

With the leadership of PDEA Director General Wilkins M Villanueva, and him at the forefront of the battle against illegal drugs, the Agency proved that with determination and passion, the government can win the fight against the drug menace.

EXECUTIVE SUMMARY

The year 2020 was extraordinary. It was not how the nation expected it to be. In the eighteen year history of the Philippine Drug Enforcement Agency, the events in the anti-drug campaign during the year were unprecedented as well.

The COVID-19 pandemic brought a number of new challenges and new normal on how the government, including PDEA, delivered its services to the people.

Nevertheless, with focus and determination, PDEA braved the challenges and beat the odds of the pandemic, leading to a deeply felt and highly credible anti-drug campaign to the nation.

For PDEA's anti-drug campaign, the year was highlighted with meaningful events and achievements.

Before the first half of the year ended, a new leader to head PDEA, the premier anti-drug enforcement agency of the country, was named. On May 22, 2020, then PDEA Regional Office X Director, Wilkins M Villanueva, was appointed by President Rodrigo Roa Duterte as the new and the seventh Director General of the Agency, vice then DG Aaron N Aquino.

- For the whole year of 2020, the anti-drug efforts of the Agency resulted in the following records of accomplishments:
 - 2,107 barangays drug-cleared. As of December 31, 2020, 20,946 barangays were already cleared, while 13,984 barangays are yet to be cleared.
 - 34,752 anti-drug operations conducted in collaboration with other law enforcement agencies such as Philippine National

Police, National Bureau of Investigation, Armed Forces of the Philippines, and Bureau of Customs, that led to:

- ✓ arrest of 49,234 drug suspects
- ✓ confiscation of Php15.75 billion worth of dangerous drugs and controlled precursors and essential chemicals (CPECs), including 2,196 kilos of shabu, 42,794 pieces of ecstasy tablet, 1.37 kilos of cocaine, and 1,328 kilos of marijuana leaves
- 430 high-impact operations conducted and 2,709 high-value targets arrested
- Three (3) clandestine laboratories and processing facility dismantled
- Multi-media initiatives enhanced through launching of Tutok PDEA Kontra Droga, PDEA Extreme Documentary Series, Serbisyon Bayan: Barangay PDEA, and PDEA DG Wilkins M Villanueva YouTube Channel
- 30,637 anti-drug lectures and seminars and 66,230 multi-media activities conducted that reached millions of audiences
- 193 Balay Silangan Reformation Centers inaugurated
- Php27.63 billion worth of dangerous drugs and CPECs destroyed, including 3,961.92 kilos of shabu, 56.57 kilos of cocaine, among others
- 1,669 regulatory permits and 10,677 licenses issued

- Isumbong mo kay Wilkins! launched that resulted in the receipt of 6,576 drug-related information and conduct of nine (9) successful negation operations
- Php18.93 million Operation: "Private Eye" rewards awarded to 57 private informants
- Memoranda of Agreement with local counterparts and stakeholders signed to intensify the anti-drug campaign
- Cooperation with international counterparts sustained
- 142 Drug Enforcement Officers hired and trained
- 342 personnel underwent local trainings and eight (8) underwent international trainings
- Php12.22 million PDEA Operation; "Lawmen" rewards awarded to operating units of 41 qualified operations
- ISO 9001:2015 Quality Management Certification retained
- Logistical capability enhanced. Following are the equipment distributed to PDEA Offices and Operating Units:
 - o 36 units of N21 and N22 Galil Ace firearms
 - o 506 units of body camera
 - o Ammunition
 - o Tactical Uniforms
 - o Five (5) units of motorcycle
 - o One (1) unit of ambulance
- Internal cleansing
 - o Five (5) erring personnel dismissed
 - o Sixteen (16) suspended
 - o One (1) employee fined
 - o Eight (8) employees admonished

The extraordinariness of the year 2020 was tackled by PDEA with confidence and audacity as evident in the fruits of the Agency's labors. With the abled leadership of Director General Wilkins M Villanueva, the continuous support of its internal and external stakeholders, and the indomitable disposition of the President against illegal drugs, the country is getting closer to a drug-cleared Philippines.

THE 7TH PDEA DIRECTOR GENERAL

Director General Wilkins M Villanueva, MPA, CESE, was appointed by President Rodrigo Roa Duterte on May 22, 2020 as the 7th Director General of the Philippine Drug Enforcement Agency. The newly appointed leader brought fresh hope and light to the fight against illegal drugs with his experience, commitment and passion in drug law enforcement.

With his experience of more than two decades in the field of anti-narcotics, DG Villanueva has gained the trust and confidence of the President to head the country's lead agency in the anti-drug campaign.

DG Villanueva started his military career as a Junior Officer of the Philippine Constabulary 10th Regional Special Action Force and assumed the following assignments thereafter:

- Assistant Director for Comptrollership, Aviation Security Command;
- Company Commander of the 1st Company, 11th Regional Mobile Force;
- Group Commander, Task Group Monkayo;
- Training Director, Regional Special Training Unit 11;
- Team Leader, Explosive Ordinance and Demolition Team (EODT) 11;
- Chief Intelligence, National Anti-Kidnapping Task Force Mindanao Area which became Police Anti-Crime and Emergency Response (PACER);
- Regional Officer, 11th Regional Narcotics Group;

- Regional Director, PDEA Regional Offices XI and NCR;
- Director, PDEA Preventive Education and Community Involvement Service; and
- Superintendent, PDEA Academy.

He had also been to an international assignment in the United Nations Mission in Kosovo.

Before being appointed as the PDEA Director General, he was the Regional Director of PDEA Regional Office X.

DG Villanueva is a member of the Maringal Class of the Philippine Military Academy Class of 1988. He holds a Master's Degree in Public Administration at the Ateneo de Davao University. He finished the Program for Development Managers at Asian Institute of Management (AIM) and is currently taking his Doctorate Degree on Forensic Criminology.

He also took international trainings in the International Law Enforcement Academy in Bangkok, Thailand; Singapore Central Narcotics Bureau; and International Law Enforcement Academy in Roswell, New Mexico, USA.

One of his most significant accomplishments in the anti-drug campaign is championing the Barangay Drug Clearing Program which has formed part of the main strategies under the Philippine Development Plan 2017-2022 and the Philippine Anti-Drug Strategies (PADS).

*UNDERSECRETARY WILKINS M VILLANUEVA, MPA, CESE
PDEA DIRECTOR GENERAL*

THE PHILIPPINE DRUG ENFORCEMENT AGENCY

Creation of the Philippine Drug Enforcement Agency

Created on June 7, 2002 through Republic Act 9165, otherwise known as “The Comprehensive Dangerous Drugs Act of 2002,” the Philippine Drug Enforcement Agency reorganized the drug law enforcement system in the Philippines. As the lead agency in the fight against illegal drugs in the country, PDEA is primarily mandated to efficiently and effectively carry out the provisions of the anti-drug law and the national anti-drug strategies.

Vision

By 2020, we are highly credible and competent agency leading the citizenry for a drug-free country.

Mission

As the lead agency in the enforcement of anti-drug law, the PDEA:

- ▶ Suppresses the supply of dangerous drugs;
- ▶ Implements Dangerous Drugs Board policies;
- ▶ Controls and regulates the legitimate use of dangerous drug and controlled precursors and essential chemicals;
- ▶ Supervises the anti-drug activities of other drug law enforcement agencies;
- ▶ Coordinates the participation of all stakeholders in the anti-drug campaign.

Core Values

Professional - We are committed to act with integrity in the performance of our duties, be proficient and reliable, and provide quality service to all our stakeholders.

Excellence-driven - We strive to exceed expectations and deliver results of highest quality.

Dynamic - We endeavor to be actively responsive with the changing trends and needs of the agency.

Accountable - We take full accountability and responsibility for all actions and conduct in a manner that would earn respect, trust and confidence of the people.

Powers and Duties of PDEA

Pursuant to Section 84 of Republic Act 9165, the Philippine Drug Enforcement Agency shall have the following powers and duties:

- a) Implement or cause the efficient and effective implementation of the national drug control strategy formulated by the Board thereby carrying out a national drug campaign which shall include drug law enforcement, control and prevention campaign with the assistance of concerned government agencies;
- b) Undertake the enforcement of the provisions of Article II of this Act relative to the unlawful acts and penalties involving any dangerous drug and/or controlled precursor and essential chemical and investigate all violators and other matters involved in the commission of any crime relative to the use, abuse or trafficking of any dangerous drug and/or controlled precursor and essential chemicals as provided for in this Act and the provisions of Presidential Decree 1619;
- c) Administer oath, issue subpoena and subpoena duces tecum relative to the conduct of investigation involving the violations of this Act;
- d) Arrest and apprehend as well as search all violators and seize or confiscate, the effects or proceeds of the crimes as provided by law and take custody thereof, for this purpose the prosecutors and enforcement agents are authorized to possess firearms, in accordance with existing laws;
- e) Take charge and have custody of all dangerous drugs and/or controlled precursors and essential chemicals seized, confiscated or surrendered to any national, provincial or local law enforcement agency, if no longer needed for purposes of evidence in court;
- f) Establish forensic laboratories in each PNP office in every province and city in order to facilitate action on seized or confiscated drugs, thereby hastening its destruction without delay;
- g) Recommend to the DOJ the forfeiture of properties and other assets of persons and/or corporations found to be violating the provisions of this Act and in accordance with pertinent provisions of the Anti-Money-Laundering Act of 2001;
- h) Prepare for prosecution or cause the filing of appropriate criminal and civil cases for violation of all laws on dangerous drugs, controlled precursors and essential chemicals, and their similar controlled substances, and assist, support and coordinate with other government agencies for the proper and effective prosecution of the same;
- i) Monitor, and if warranted by circumstances, in coordination with the Philippine Postal Office and the Bureau of Customs, inspect all air cargo packages, parcels and mails in the central post office, which appear from the package and address itself to be a possible importation of dangerous drugs and/or controlled precursors and essential chemicals, through on-line or cyber shops via the internet or cyberspace;
- j) Conduct eradication programs to destroy wild or illegal growth of plants from which dangerous drugs may be extracted;

- k) Initiate and undertake the formation of a nationwide organization which shall coordinate and supervise all activities against drug abuse in every province, city, municipality and barangay with the active and direct participation of all such local government units and nongovernmental organizations, including the citizenry, subject to the provisions of previously formulated programs of action against dangerous drugs;
- l) Establish and maintain a national drug intelligence system in cooperation with law enforcement agencies, other government agencies/offices and local government units that will assist in its apprehension of big-time drug lords;
- m) Establish and maintain close coordination, cooperation and linkages with international drug control and administration agencies and organizations, and implement the applicable provisions of international conventions and agreements related to dangerous drugs to which the Philippines is a signatory;
- n) Create and maintain an efficient special enforcement unit to conduct an investigation, file charges and transmit evidence to the proper court, wherein members of the said unit shall possess suitable and adequate firearms for their protection in connection with the performance of their duties: Provided, that no previous special permit for such possession shall be required;

1st Command Conference of DG Villanueva with the PDEA Directors and officials on July 28, 2020.

DG Wilkins Villanueva presides over the ICAD Meeting.

- o) Require all government and private hospitals, clinics, doctors, dentists and other practitioners to submit a report, in coordination with the Board, about all dangerous drugs and/or controlled precursors and essential chemicals which they have attended to for data and information purposes;
- p) Coordinate with the Board for the facilitation of the issuance of necessary guidelines, rules and regulations for the proper implementation of this Act;
- q) Initiate and undertake a national campaign for drug prevention and drug control programs, where it may enlist the assistance of any department, bureau, office, agency or instrumentality of the government, including government-owned and/or controlled corporations, in the anti-illegal drugs drive, which may include the use of their respective personnel, facilities, and resources for a more resolute detection and investigation of drug related crimes and prosecution of the drug traffickers;
- r) Submit an annual and periodic reports to the Board as may be required from time to time, and perform such other functions as may be authorized or required under existing laws and as directed by the President himself/herself or as recommended by the congressional committees concerned.

PDEA Organizational Structure

The Head of the Agency is called Director General with the rank of Undersecretary. The Director General is assisted by two Deputy Director Generals; one for Operations and the other for Administration, both with the rank of Assistant Secretary.

PDEA has its own Academy that undertakes and oversees the recruitment and training of all PDEA Drug Enforcement Officers (DEOs).

It also has seventeen (17) PDEA Regional Offices nationwide with each office is headed by a Regional Director, and 86 Provincial/District Satellite Offices.

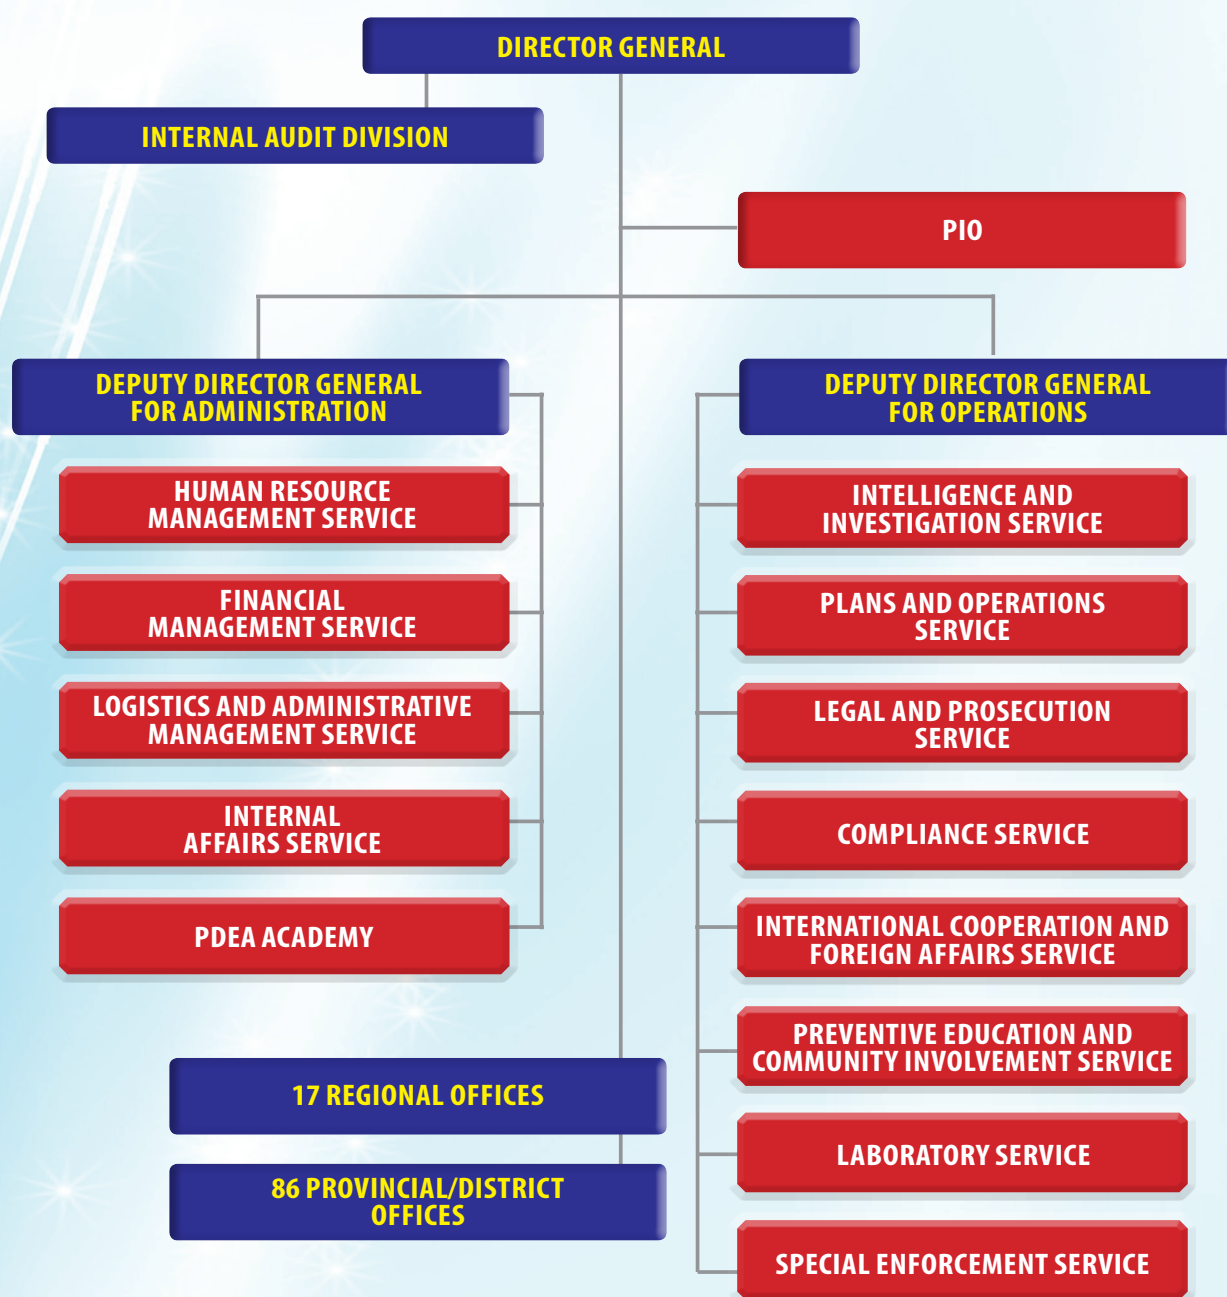

Figure No. 1: PDEA Organizational Structure

Table No. 1: DEOBC as of CY 2020

PDEA Academy

Pursuant to Article IX, Section 85 of Republic Act No. 9165, the PDEA Academy was tasked for the recruitment and training of all PDEA Drug Enforcement Officers (DEOs) and personnel.

PDEA Academy is located at the PNPA Compound, Camp General Mariano Castañeda, Silang, Cavite.

As of December 31, 2020, PDEA Academy has successfully conducted training to eighteen (18) batches of DEO namely:

DEOBC 2020-18 Oath-Taking and Reception Rites on January 31, 2020 at PDEA Academy, Silang, Cavite.

The newly-improved PDEA K9 Facility located at San Jose del Monte, Bulacan.

PDEA K9 Unit

Enhancing the capabilities of the PDEA K9 Unit is one of the agency's priorities as it recognizes the vital role of narcotic detection dogs in helping to prevent the smuggling of illegal drugs in ports all over the country. The agency continue to intensify and strengthen the PDEA K9 Unit.

For the year, there were a total of 121 narcotic detection dogs, 66 newly procured green dogs and 141 K9 handlers.

Aligned with the agency's effort to strengthen the capabilities of the PDEA K9 is the enhancement of the PDEA Premier Narcotic Detection Dog Training Center located in San Jose Del Monte, Bulacan.

Conduct of continuous refresher activity of NDDs to further enhance skills and capabilities.

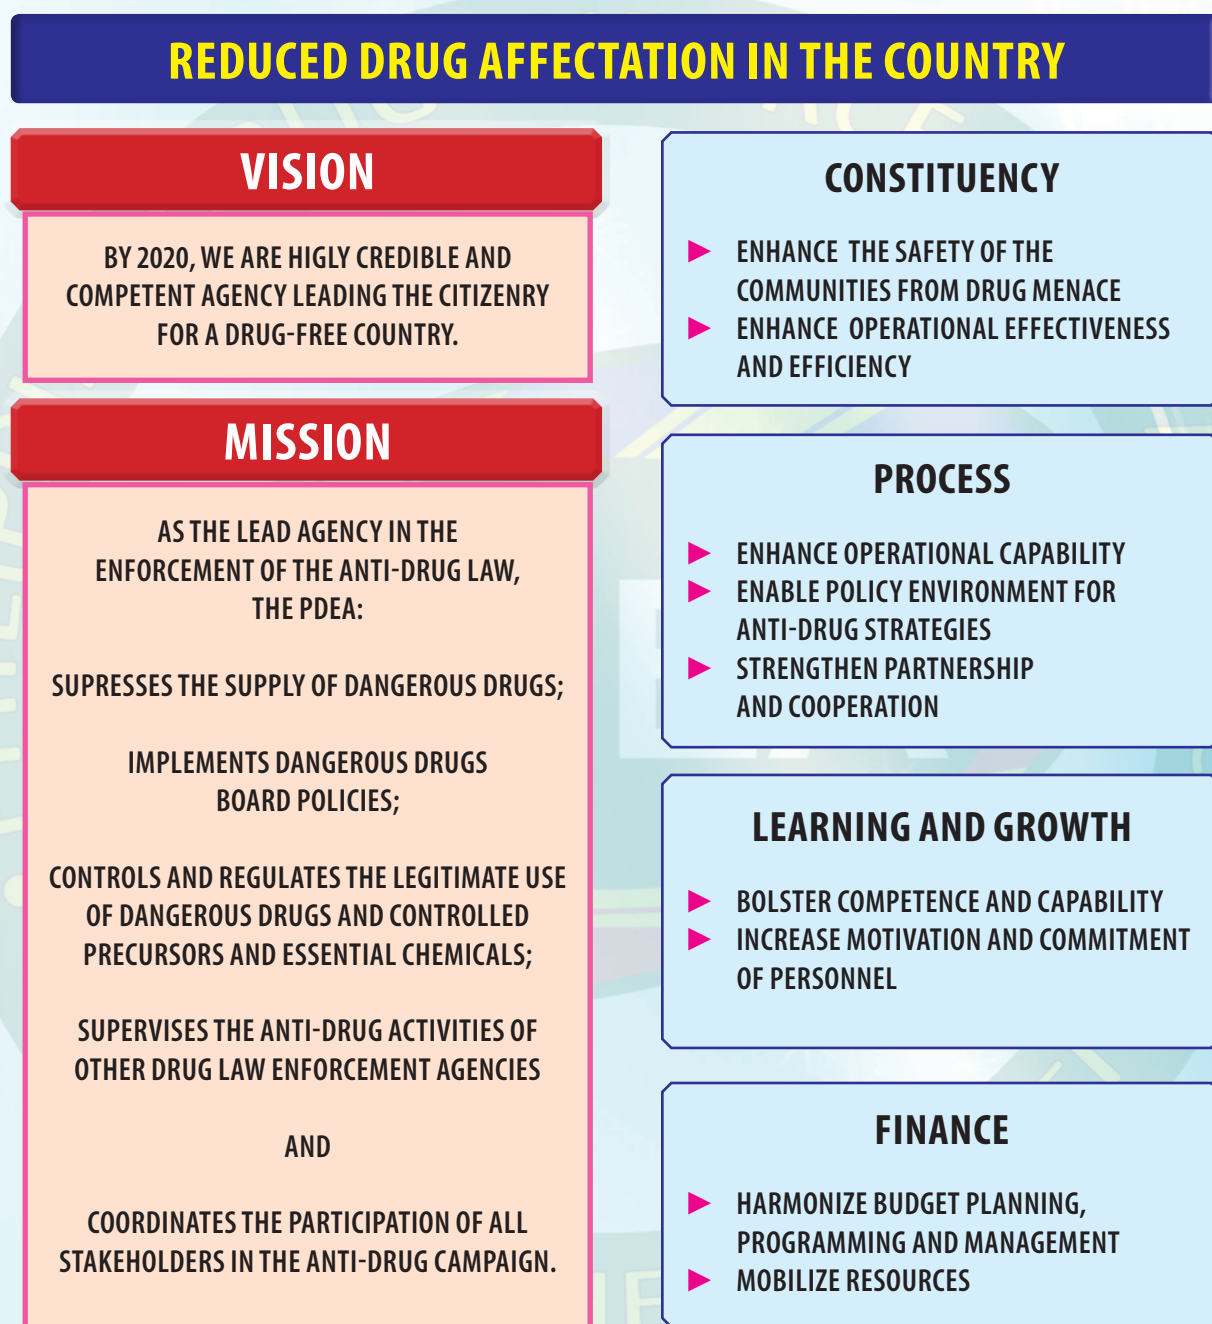

The Agency has procured an additional of sixty-six (66) green dogs for the year.

PDEA Strategy Map

The guiding framework of the agency's plans, programs, strategies and performance metrics can be seen in the PDEA Strategy Map. This illustrates the good governance framework of PDEA and upholds the principle of balance between accomplishing the agency's goal, provision of enabling systems and policies, and provision of appropriate resources in logistics, human and finance.

Figure No. 2: PDEA Strategy Map

PROFESSIONAL • DYNAMIC • EXCELLENCE-DRIVEN • ACCOUNTABLE

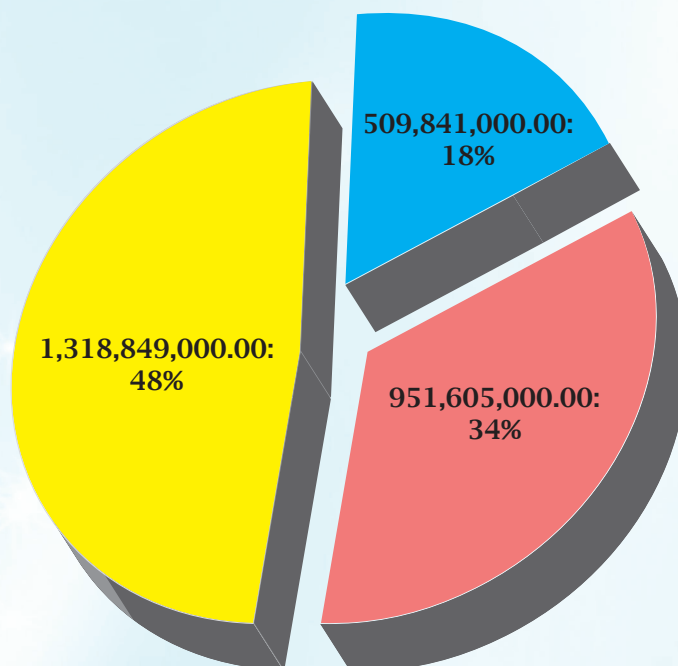

PDEA Financial Capability FY 2020

Budget is allocated judiciously by the agency for the implementation of programs, activities and projects which are geared towards successful anti-drug campaign throughout the country. Despite limitations on the resources, the agency continues to have significant accomplishments.

The agency is dependent on the national budget allocated under the General Appropriations Act (GAA). For the year, the Agency's total budget is Php2,780,295,000.00.

For 2020, the Agency's budget is actually utilized as follows:

THE PHILIPPINE DRUG SITUATION

Profile of Arrested Drug Personalities

For the year, there were a total of 49,234 drug personalities arrested nationwide. 43,376 of which were male and 5,858 were female. Based on arrest record, there are personalities arrested who were minors. There were also recorded arrest of senior citizens.

Figure No. 4: Drug personalities arrested disaggregated by gender for CY 2020

Arrested personalities during an anti-drug operation conducted in Brgy. Bagong Pag-Asa, Quezon City on June 21, 2020.

Drugs of Choice and Street Prices of Dangerous Drugs

Methamphetamine hydrochloride or Meth, locally known as shabu, is still the most preferred drug of use. Based on data in 2020, 95.93% percent of drug-related arrests were associated with shabu.

The locally grown cannabis or marijuana and the imported Methylenedioxymethamphetamine (MDMA) or ecstasy follows as the second and third drugs of preference, respectively.

Shabu is sold at the average price of Php6,800 per gram; ecstasy at Php1,700 per tablet; and marijuana at Php120 per gram.

24 kilos of suspected shabu packed in tea bags seized during successful anti-drug operations in Parañaque City.

113 kilos of Marijuana bricks confiscated during a hot pursuit in Clark, Pampanga on August 9, 2020.

Pieces of Ecstasy seized during an operation conducted on August 27 and August 31, 2020 in Parañaque City.

Entry and Exit Points

The archipelagic set-up of the Philippines is exploited by drug syndicates to transport illegal drugs and controlled precursors and essential chemicals (CPECs) into the country through four (4) major avenues: the seaports, the international airports, the mail and parcel services, and the vast expanse of the Philippine coastlines. Vulnerability of the country for drug smuggling is due to various entry and exit points.

placed in the bottom part of the luggage, in sole of shoes, inside the handbags of courier, in milk boxes, in chocolate pellets in a tin can, in sealed ceramic boxes, shampoo bottles, toys, CPU, magnetic lifters, metal cylinders or through ingestion or swallowing.

PDEA, in cooperation with other law enforcement agencies, is continuously strengthening its operational capabilities to monitor drug trafficking in the country.

Trafficking of Illegal Drugs

Illegal drug trafficking continues to thrive in the country as drug traffickers are innovative in finding ways to evade the authorities for their illegal drug activities. At present, illegal drug trafficking is still a persistent drug activity in the country.

Despite the intensified law enforcement efforts, illegal drugs are being transported within the country via several modes of concealment. Most of the illegal drugs being carried are hidden in Chinese tea bags, false compartment of luggage/suitcases or

20 kilos of Shabu concealed in Chinese tea bags seized in a buy-bust operation in Parañaque City.

Critical Areas In The Philippines

Cebu International Airport	July 2016	4 kilos of meth
Coastline of Samar	2009-2010	590.69 kilos of cocaine
Cebu Port	March 2004	1.5 tons of pseudoephedrine
MINDANAO		
Davao City	December 2009	15.5 kilos of cocaine
	March 2014	69 kilos of cocaine
Zamboanga	November 2013	18.6 kilos of meth
Total	5,730.51 kilos of meth; 29,957 tablets of ecstasy; 1,223.44 kilos of cocaine; 12.75 liters of liquid cocaine; 1 ton of ephedrine; 1.5 tons of pseudoephedrine; 22 kilos ketamine	

Barangay Drug Affection

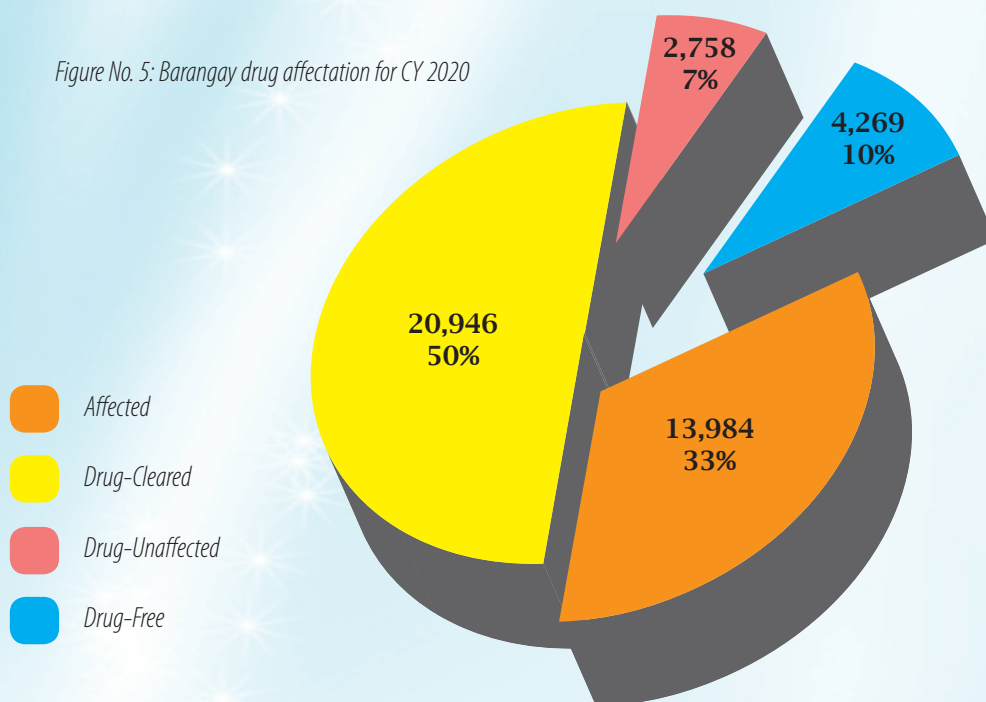

Proliferation of illegal drug use and abuse is believed to begin at the grassroots or at the barangay level. A barangay is said to be drug-affected when there is a presence of Persons Who Use Drugs (PWUDs), pushers, drug den maintainers, coddlers, protectors, financiers, cultivators, manufacturers and drug personalities and there is an existence of illegal drug facilities, and prevalence of illegal drug activities.

As of December 31, 2020, 13,984 or 33.26% of the barangays nationwide are drug-affected or have presence of illegal drugs.

PDEA, being the lead agency in the fight against illegal drugs, has strengthened the implementation of the Barangay Drug Clearing Program. This program is a whole-of-nation strategy to free the communities from the clutches of illegal drug activities through the involvement of the Local Government Units (LGUs).

Through the Regional Oversight Committee on Dangerous Drugs chaired by PDEA, all initiatives that lead to clearing of drug-affected barangays are being consolidated.

Figure No. 5: Barangay drug affection for CY 2020

CLASSIFICATION OF BARANGAY DRUG AFFECTATION

As provided in DDB Regulation No. 3, series of 2017, drug-affected barangays are classified as follows:

- A. **Drug Unaffected Barangay** – has not ever been plagued or beset by any illegal drug activities
- B. **Drug Affected Barangay** – has reported presence of drug user, pusher, manufacturer, marijuana cultivator, or other drug personality, drug den, marijuana plantation, clandestine laboratory, and facilities related to production of illegal drugs:
 - 1. **Seriously affected** – reported presence of any of the following: clandestine drug laboratory, warehouse, marijuana plantation and drug den/ tiangge, drug trafficking and smuggling activities, and drug personalities (i.e. users, pushers, financiers, protectors, cultivator, manufacturer and others);
 - 2. **Moderately affected** – reported presence of drug pusher/s and/or user/s; and
 - 3. **Slightly affected** – reported presence of drug user/s.
- C. **Drug Cleared Barangay** – classified as previously drug affected and subjected to drug clearing operation and declared free from any illegal drug activities pursuant to the parameters set forth by the regulation.

THE NATIONAL ANTI-DRUG CAMPAIGN ACCOMPLISHMENTS

Barangay Drug Clearing Program (BDCP)

Barangay Drug Clearing Program (BDCP) is the main strategy of the government to clear and free barangays, and subsequently the country, from illegal drugs.

Upon the assumption of Director General Wilkins M Villanueva, he emphasized that BDCP is proven to be effective in curbing illegal drugs and is providing second chance to drug personalities to be reformed

and reintegrated in the community as responsible, productive and stigma-free members of the society. On June 25, 2020, the PDEA Barangay Drug Clearing Program Working Group for Monitoring and Validation (PB-WMV) was created to empower PDEA Regional Offices and to create policies and guidelines that would enhance and expedite the implementation of the BDCP.

Dir Charlene Magdurulang, Chief of Staff, presides over the PDEA BDCP Working Group for Monitoring and Validation (PB-WMV) meeting.

Aligned with the goal of our President to clear all drug-affected barangays by 2022, the government intensified its implementation of the Barangay Drug Clearing Program.

From January 1 to December 31, 2020, 2,107 barangays were declared drug-cleared, leading to a total of 20,946 barangays cleared as of the year end. By June 2022, PDEA targets to clear the remaining 13,984 drug-affected barangays.

Amidst the pandemic, PDEA undertook efforts to strengthen the Barangay Drug Clearing Program. Aside from the creation of the PB-WMV, the Barangay PDEA Facebook Page was also created to reach more target audiences. The page not only informs the public of the anti-drug strategies of the government, but also communicates success stories of the implementation of BDCP. Since its launching on September 1, 2020, the page has gained 8,400 likers and 9,318 followers.

Declaration of drug-cleared Municipality in Basista, Pangasinan on July 10, 2020.

DG Villanueva gives his welcome remarks during the signing and declaration of drug-cleared municipality in Pangasinan.

Supply Reduction Efforts

Conduct of High-Impact Operations

In 2020, PDEA and other law enforcement agencies conducted high-impact operations to disrupt the supply of illegal drugs. Out of the 34,752 operations conducted, 430 are considered high-impact operations:

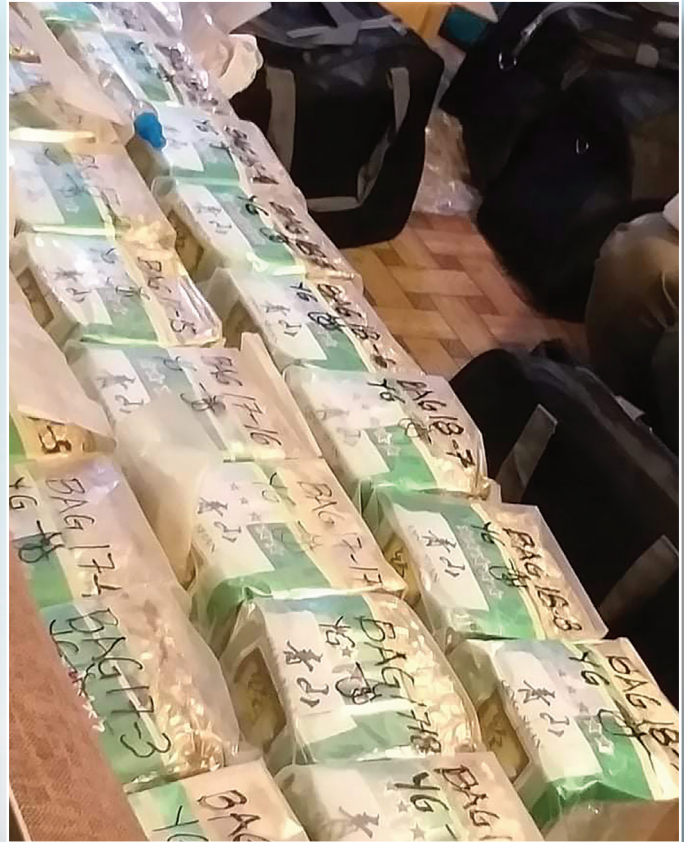

Table No. 4: High-Impact Operations Conducted, CY 2020

HIO	PDEA and PDEA Joint Operations	OLEAs	Total
Dismantled Clandestine Laboratory	1	1	2
Dismantled Marijuana Hub Facility	1	-	1
Marijuana Eradication	49	21	70
High Volume Seizure	169	-	169
Dismantled Drug Den	156	32	188
Grand Total			430

Controlled delivery operation conducted on October 30, 2020 that led to the seizure of 239.1 kilos of shabu.

On June 11, 2020, a buy-bust operation was conducted in Cavite that led to the seizure of 371.09 kilos of shabu.

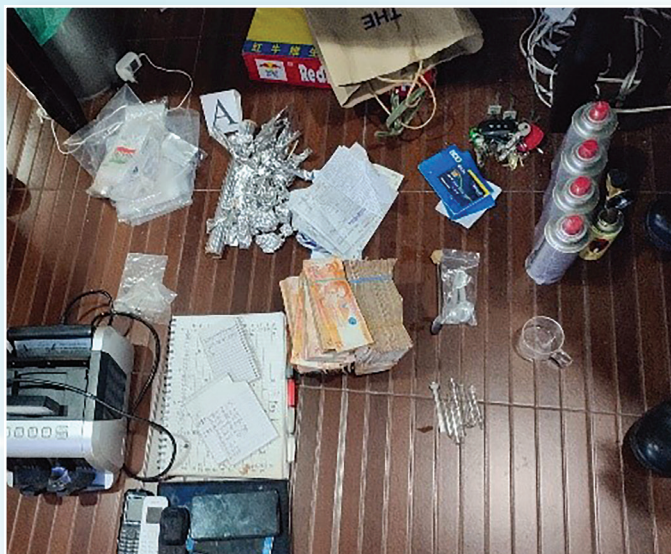

Buy-bust operation conducted in Marilao, Bulacan on June 4, 2020 led to the seizure of 827.01 kilos of shabu.

Dismantling of Clandestine Laboratory

A clandestine laboratory is primarily used to secretly manufacture illegal drugs. Such is being dismantled by PDEA together with other law enforcement agencies.

During the year, two (2) clandestine shabu laboratories and one marijuana processing facility were dismantled.

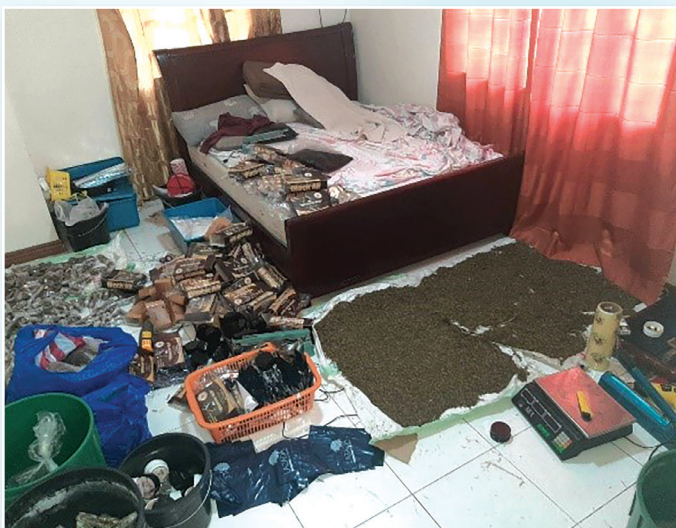

A shabu laboratory located in Santa Rosa City, Laguna was dismantled on June 3, 2020. Four personalities, including Samson Tan, a Chinese chemist, were arrested. Shabu weighing 758.80 grams worth Php5.16 million were confiscated.

Laboratory equipment and Controlled Precursors and Essential Chemicals (CPECs) were confiscated in the dismantled clandestine laboratory in Sta. Rosa, Laguna on June 3, 2020.

A shabu laboratory located in Subic, Zambales was dismantled on August 20, 2020. Confiscated in the facility were CPECs used to manufacture shabu, and laboratory apparatus and equipment. One drug personality was arrested.

A marijuana processing and distribution facility located in Dasmarinas City, Cavite was dismantled on August 26, 2020. Marijuana seeds and dried marijuana leaves worth Php24 million were confiscated in the facility.

Airport interdiction operation conducted in NAIA Terminal 3 led to the arrest of a Thai national and seizure of 3.9 kilos of meth worth Php26.79 million.

Airport Interdiction

To avert utilization of airports in smuggling drugs into the country, the government continued to conduct interdiction operations at airports. Nationwide, anti-drug operations were conducted by PDEA operating units in collaboration with airport authorities which led to the seizure of shabu worth Php2.88 billion.

Seaport Interdiction

PDEA also continued to intensify efforts to ensure that smuggling of drugs using the country's seaports are deterred. At present PDEA has deployed Seaport Interdiction Units (SIUs) to 19 areas in the country. These SIUs work closely with Bureau of Customs, Philippine Ports Authority, Philippine National Police, Philippine Coast Guard and Other Law Enforcement Agencies.

Through aggressive operations of SIUs, 20.62 kilos of shabu, worth Php140.22 million were confiscated for year 2020.

Seaport interdiction operation at Matnog Port in Sorsogon conducted on January 16, 2020.

Mail and Parcel Interdiction

The use of the mail and parcel system to traffic illegal drugs in the country was continuously noted in the reports of operations conducted in the country. Until now, traffickers still exploit the use of mail and parcel thinking that they remain undetected. As result of the counter measures of the government, in 2020, 23 interdiction operations against illegal drugs through mail and parcel were conducted.

These operations resulted in the seizure of a total of 240.25 kilos of shabu worth Php1.63 billion; 36,982 pieces of ecstasy worth Php62.87 million; 14.99 kilos of marijuana kush worth Php17.99 million.

The interdiction operation at Matnog Port in Sorsogon led to the seizure of 19.48 kilos of shabu.

Marijuana Eradication

In the Philippines, marijuana remains to be considered as illegal drug. This, however, continues to thrive in the country as it is cultivated locally particularly in Northern Luzon region. Thus, PDEA remains to be steadfast in its effort to thwart the proliferation of the said illegal drugs in the Philippines through the conduct of marijuana eradication operations.

For the year, seventy (70) marijuana eradication were conducted that resulted in the destruction of 264 marijuana plantation sites and the seizure of 2,330,281 pieces of marijuana plants, 232 kilos of dried marijuana leaves, 51,755 pieces of marijuana seedlings, 121 kilos of marijuana stalks and 5.20 kilos of marijuana seeds. The total value of all seized illegal drugs is Php477.02 million.

Marijuana eradication conducted in Barangay Loccong, Tinglayan, Kalinga that resulted in the destruction of 210,000 pieces of fully grown marijuana plants with a value of Php42 million from a total estimated land area of 8,000 square meters.

On August 4-6, 2020, operatives conducted marijuana eradication operation that resulted in the destruction of 16,000 pieces of fully grown marijuana plants with a value Php3.2 million from a total estimated land area of 1,600 square meters.

Seizure of Dangerous Drugs and CPECs

The anti-drug operations conducted by PDEA and other law enforcement agencies resulted in the seizure of Php15.75 billion worth of dangerous drugs and controlled precursors and essential chemicals (CPECs).

On October 30, 2020, an anti-drug operation was conducted in Cabanatuan City, Nueva Ecija. This resulted in the seizure of 239.1 kilos of shabu worth Php1.62 billion and the arrest of two (2) Chinese nationals.

PDEA K9 Operations

PDEA K9 plays an important role in the conduct of anti-drug operations. This unit augments the capability of the operating units in detecting drugs by using well-trained narcotics detection dogs (NDDs) guided by their expert handlers.

In 2020, PDEA K9 Units conducted 4,501 activities in support to anti-drug operations nationwide.

The top most notable K9 operations where the skills of NDDs were manifested were the following:

Table No. 7: PDEA K9 Unit Operations for CY 2020

Detected through X-Ray screening and K-9 sweeping on the belongings of a Thai national were 3.93 kilos of shabu worth Php26.7 million at the NAIA Terminal 3.

Arrest of High-Value Targets

High-value targets or HVTs play a critical role in ensuring proliferation of illegal drugs. In 2020, 2,709 high-value targets were arrested by PDEA and other law enforcement agencies.

On June 7, 2020, a barangay kagawad at Dumaguete City, Negros Oriental was arrested through the conduct of a buy-bust operation.

Table No. 8: High-Value Targets Arrested for CY 2020

Other Supply Reduction Efforts And Support Activities

Diversion Control

The agency intensified its efforts to prevent diversion of chemicals for illicit use by conducting regulatory functions such as issuance of permits and licenses to authorized handlers and administrators, and investigation of firms found violating regulations.

In 2020, the PDEA Compliance Service issued 1,669 permits and 10,677 licenses to handlers and administrators of dangerous drugs and controlled chemicals.

Table No.12: Regulatory activities conducted, CY 2020

Permits Issued

• Export Declaration	61
Total Permits Issued	1,669
Licenses Issued	
• S-2 (Medical Practitioners)	5,634
• S (Dangerous Drugs Handlers)	2,313
• P (Controlled Chemicals Handlers)	2,730
Total Licenses Issued	10,677

Financial Investigation Effort

Through the cooperation between PDEA and Anti-Money Laundering Council (AMLC), the financial investigation conducted on drug cases in 2020 resulted in the freezing of Php1.19 billion worth of real properties and assets of drug personalities. The freezing of assets renders the subject personalities incapable of doing further business which can support their illegal activities.

Table No.13: Assets and Properties freeze through the Anti-Money Laundering Desk

Financial Asset	Php1,087,294,146.92
Real Estate	27 parcel of land and 35 real properties
Other Assets	21 Motor Vehicles, 20 shipping vessels, insurance policy, 5 firearms and assorted jewelry
Total	Php1,186,445,032.31

Destruction of Dangerous Drugs and Controlled Chemicals

During the year, PDEA made a history in the destruction of confiscated drug evidence with the highest volume of dangerous drugs and CPECs destroyed and the most number of destruction ceremonies conducted.

Fourteen (14) ceremonial destructions were conducted nationwide and a total of Php27.63 billion worth of dangerous drugs and CPECs were destroyed.

On August 21, 2020, PDEA conducted the first destruction ceremony since the assumption of PDEA Director General Wilkins M. Villanueva, and the biggest volume in the history of the PDEA with a total net weight of two (2) tons of confiscated drug evidences during anti-drug operations and those turned over by authorities that were recently ordered

by the court to be destroyed. Php 13,359,157,093.00 worth of dangerous drugs was destroyed at the Integrated Waste Management, Inc. (IWMI), Barangay Aguado, Trece Martirez City, Cavite.

DESTRUCTION OF DANGEROUS DRUGS

21 AUGUST 2020 • 0900H | INTEGRATED WASTE MANAGEMENT, INC. | BRGY. AGUADO, TRECE MARTIREZ CITY, CAVITE

WELCOME

PRESIDENT RODRIGO ROA DUTERTE

REPUBLIC OF THE PHILIPPINES

VISIT TO THE DESTRUCTION OF DANGEROUS DRUGS

INTEGRATED WASTE MANAGEMENT, INC., TRECE MARTIREZ CITY, CAVITE

03 DECEMBER 2020

PDEA key officials, Local Government Officials of Barangay Aguado, Trece Martires City, representatives from the Philippine National Police (PNP) and other law enforcement agencies (OLEAs), Department of Justice (DOJ), and Department of the Interior and Local Government (DILG), non-government organizations (NGOs) and media partners witnessed the destruction activity.

One of the highlights for the year is the destruction on December 3, 2020. PDEA facilitated the destruction of Php7,10,840,985.32 worth of dangerous drugs and CPECs at Integrated Waste Management, Inc, in Cavite. This event was graced by the presence of President Rodrigo Roa Duterte as

the guest of honor and speaker. Senator Christopher Lawrence “Bong” Go, Secretary of the Interior Local Government Eduardo Año, and DDB Chairman Secretary Catalino Cuy were also present during the activity. Destroyed through thermal decomposition were a total of 1,333.09 kilograms and 5,936.70 milliliters of assorted pieces of drug evidence composed of methamphetamine hydrochloride, or shabu; liquid shabu; marijuana; liquid marijuana; cocaine; methylenedioxymethamphetamine (MDMA), or popularly known as ecstasy; meth+ephedrine; ephedrine; dextropropoxyphene; diazepam; ketamine; meth+piperonal; cocaine+MDMA; benzylpiperazine; gamma butyrolactone (GBL); P2P; safrole; and toluene.

Operation: “Private Eye” Rewards

PDEA rewards private informants of drug-related information that led to successful conduct of anti-drug operations through Operation “Private Eye”. It is one way of encouraging the public to support and help the anti-drug campaign of the government by reporting illegal drug activities in their communities.

In 2020, a total of Php18.93 million monetary rewards were awarded to 56 informants. Their information resulted in the confiscation of dangerous drugs, including 1,796 kilos of shabu, and arrest of 143 personalities.

Operation “Private Eye” rewarded the informants whose information led to successful conduct of anti-drug operations. Awarding was held in PDEA National Headquarters on December 21, 2020.

How to Report Illegal Drug Activities and be eligible for Private Eye Rewards

Just legibly fill out the Information Report Form (IRF) to be provided by PDEA and send your report to the agency by fastest means as follows:

- a) By mail/courier to: Operation "Private Eye" c/o Room 207, PDEA Bldg., NIA Northside Road, NGC, Brgy. Pinyahan, Quezon City
- b) Cellphone No.: 0917 867 7332
- c) By Email to: iis.iod@pdea.gov.ph
- d) Personally submit to the nearest PDEA Regional Office

Bridging the Gap

Problema mo ba ang ilegal na droga sa inyong lugar?

Isumbong mo kay Wilkins!

Globe: 0995-354-7020
Smart/ Sun: 0931-027-8212

#IsumbongMoKayWilkins

Isumbong Mo Kay Wilkins

To encourage more participation from the public in the anti-drug campaign, PDEA launched Isumbong Mo Kay Wilkins (IMKW)! Facebook page.

IMKW is a 24/7 platform that provides round-the-clock call and text hotline numbers, and private messaging through which the public can report to PDEA illegal drug activities in their communities. All information received through the platform are validated by the Agency.

Since its launching on June 15, 2020 to December 31, 2020, IMKW has received 6,576 drug-related information.

On September 29, 2020, a Provincial Target List drug personality ranked Top 10 was arrested at Kabankalan City, Negros Occidental through the information received in IMKW platform.

A high-value target reported to IMKW was arrested on October 9, 2020 at Barangay Baan Riverside, Butuan City.

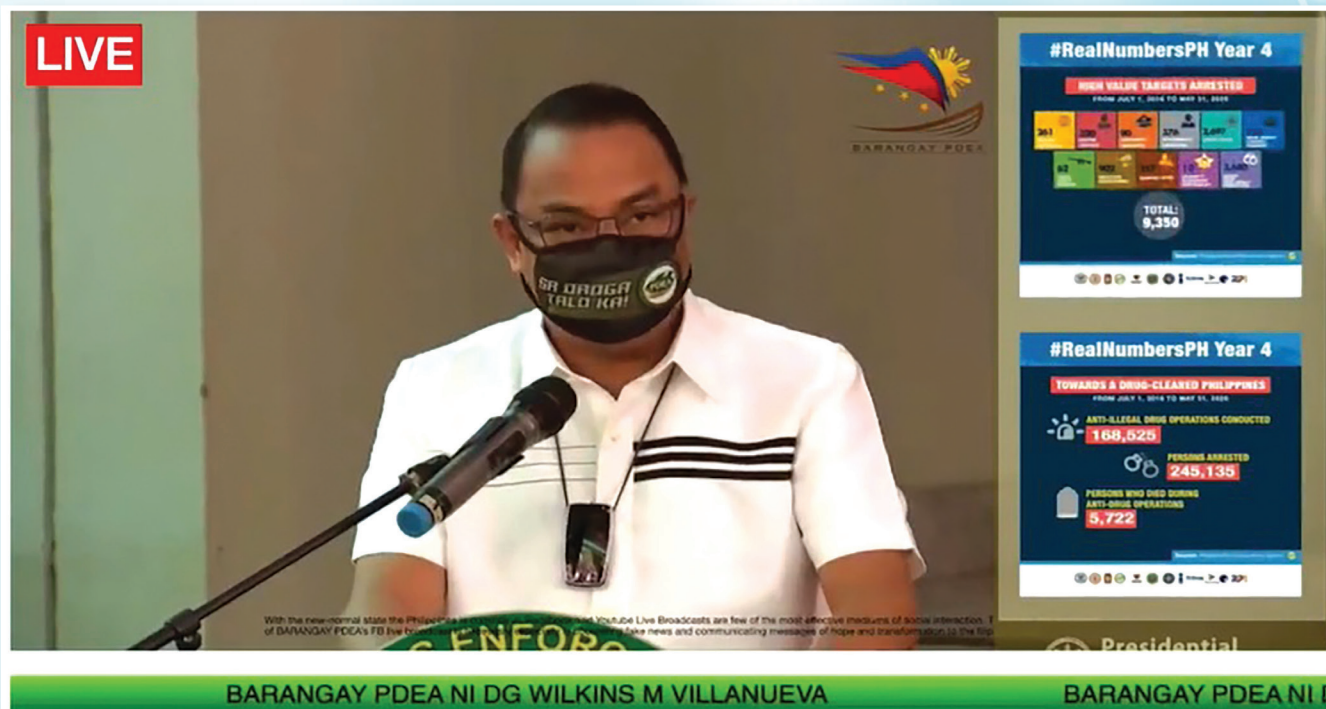

Barangay PDEA FB Page

Recognizing the importance of the use of multimedia-platforms specially the social media to connect to multitude of people, PDEA has launched its Facebook Page called “Barangay PDEA.” This is used as the Agency’s online communication tool particularly in the implementation of the Barangay Drug Clearing Program (BDCP).

Through the Barangay PDEA FB Page, the public can ask questions and receive answers directly from PDEA resources. This is also to avoid misinformation and miscommunication of the status of the anti-illegal drug campaign to the public.

Online broadcasting platforms are also linked to the FB page for easier access of the public. One of the live broadcasts is that of Tutok PDEA: Kontra Droga which is anchored by no less than the PDEA Director General Wilkins Villanueva himself. Resource persons such as government officials and public servants are being invited and interviewed regarding matters concerning the implementation of BDCP.

DG Wilkins Villanueva gives his message during Barangay PDEA Online Launch.

Barangay PDEA Logo

The three stars correspond to the three main prongs of the anti-drug campaign: supply, demand and harm reduction.

The sun with rays, the red and blue sails and the three stars symbolize the Philippine Flag and the country. This means that the BARANGAY DRUG CLEARING PROGRAM carried out by PDEA and other stakeholders is consistent with the plans of the country and is uniquely Filipino.

The tilted-upward boat represents the aggressive implementation of the Barangay Drug-Clearing Program that is always ready to endure and succeed whatever challenges may come its way.

The sails are guiding principles of the Barangay Drug-Clearing Program, the EO 66 or the Philippine Anti-Drug Strategy (PADS) and the Philippine Development Plan 2017-2022.

Demand Reduction Efforts

Advocacy Campaign

The drug demand reduction arm aims to educate the public of the harmful effects illegal drugs to prevent them from taking these substances.

The pandemic did not stop PDEA from being persistent in delivering its advocacy campaign. In 2020, PDEA initiated demand reduction programs in spite of the challenges of the new normal.

Online platform and limited face-to-face lecture have been utilized in order to continue with the advocacy of the Agency.

For the year, in collaboration with partners and stakeholders, PDEA conducted 141,344 advocacy activities which include lectures, symposia, guest speakerships, meetings, conferences, and civic awareness that reached 173,227,668 audience, from combined face-to-face, online and multi-media audience.

Table No. 13: Demand Reduction Activities Conducted, CY 2020

Lectures, Seminars, Symposia, and Guest Speakership	30,637
Multi-media activities	66,230
Civic Awareness and Other PECL activities	8,794

PDEA conducts various advocacy campaign activities through the utilization of combined face-to-face and online platforms.

Launching of PDEA Animated Video 2.0 on March 5, 2020 at the Quezon Memorial Circle, Elliptical Road, Diliman Q.C. The PDEA Animated Video 2.0 is a collaboration between PDEA and the Bureau of International Narcotics and Law Enforcement Affairs, US Embassy Manila.

Cascading of SK STEP UP for Regional SK STEP UP focal persons at the Camelot Hotel, Quezon City.

Multi-Media Initiatives

During the year, PDEA maximized the multi-media by launching advocacy programs that effectively reached the target audience.

Tutok PDEA Kontra Droga. This teleradyo program is the result of PDEA's Memorandum of Agreement with the Presidential Communications Operations Office (PCOO) and two of its attached agencies, the People's Television Network, Inc. (PTNI) and Bureau of Broadcast Services-Philippine Broadcasting Service

(BBS-PBS), and a separate MOA signed with the veteran broadcaster, Mr. Erwin Tulfo. The MOA was envisioned to bring to the public the government's efforts, campaign, program and activities in the fight against illegal drugs. The program is aired every Wednesday from 5:00 to 6:00 PM at Radyo Pilipinas 738 KhZ, simulcast with PTV 4.

Since its pilot episode on October 3, 2020, 12 episodes of the program were aired.

PDEA Extreme Documentary Series is PDEA's medium to highlight best practices on anti-drug operation undertaken by the different PDEA Regional Offices nationwide. The program uses a documentary style of storytelling and can be viewed every Saturday 8:30 PM to 9:00 PM with replay on Sundays 7:00 PM to 7:30 PM on Channel 106 at Signal Cable Pinoy Extreme Channel.

The program was launched on October 3, 2020, and has since then aired ten (10) episodes.

Serbisyong Bayan: Barangay PDEA is a radio program hosted by Tatay Rannie Ludovico that

features PDEA resource persons discussing the recent accomplishments, activities, drug rehabilitation and prevention programs in relation to their implementation of Barangay Drug Clearing Program.

The program airs every Thursday 5:00 PM to 6:00 PM on DZME 1530 KhZ. It made its maiden telecast on September 3, 2020.

PDEA DG Wilkins M Villanueva Youtube Channel showcases the latest updates on the war against illegal drugs. The video-sharing platform is designed to mobilize the society in support to the programs, projects and policies of the Agency.

Balay Silangan Reformation Program

With the aim to reform drug offenders and reintegrate them back to the society, Balay Silangan Reformation Program is a critical component of the Barangay Drug Clearing Program.

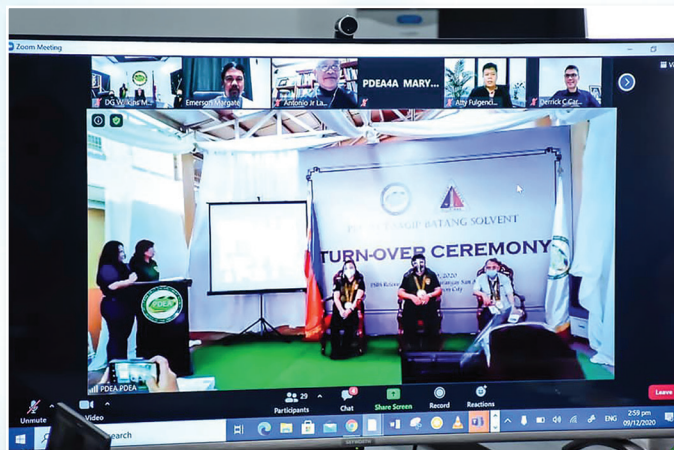

As of December 31, 2020, 193 Balay Silangan Reformation Centers were established in collaboration with local government units, of which 91 were established during the year alone. As of the year end, 2,344 drug offenders were catered by the Centers, 1,944 of whom already graduated, and 449 are already employed.

Project Sagip Batang Solvent

This program is PDEA's initiative to rescue and save children who sniff solvents at the streets. PSBS aims to provide reformatory care and reintegrated interventions such as education, counselling, values formation, skills development, livelihood training to children dependent on solvent and inhalant abuse. Rescued children are housed at the PSBS Center located in Novaliches, Quezon City.

As of the year end, PSBS has rescued 108 children, aged 9-17 years old who were identified as solvent users and have undergone the assessment process. These children finished the 14-week reformation intervention program which includes Home Life Skills and Education through Alternative Learning System. The children were also provided with medical health and dental services.

On December 9, 2020, the administration and management of the PSBS Reformation Center was turned-over to the Quezon City Anti-Drug Abuse Advisory Council (QCADAAC). The activity was attended by Quezon City Mayor Josefina G. Belmonte, Chairperson of QCADAAC, DG Wilkins M. Villanueva, QCADAAC employees and PDEA officers and employees.

DG Wilkins Villanueva together with PDEA Officers during the turn-over of the PSBS Reformation Center to QCADAAC led by Chairperson, Mayor Josefina Belmonte.

Other Anti-Drug Campaign Support Initiatives

Operation: “Lawmen” Rewards

To boost the morale of PDEA operatives, the Agency implements PDEA Operation: “Lawmen” that is a reward system for successful confiscation of dangerous drugs and CPECs, anchored on DDB Regulation No. 1, Series of 2016.

For the year, PDEA awarded a total of Php12.22 million PDEA Operation: “Lawmen” reward to claimants of 41 qualified operations.

PDEA Director General Wilkins M. Villanueva personally hands the rewards to PDEA-Intelligence and Investigation Service (PDEA-IIS), PDEA-Special Enforcement Service (PDEA-SES), PDEA Regional Office-National Capital Region (PDEA RO-NCR), PDEA Regional Office V (PDEA ROV), PDEA Regional Office VII (PDEA ROVII), and PDEA Regional Office VIII (PDEA ROVIII)

On July 7, 2020, six operating units of the Philippine Drug Enforcement Agency (PDEA) received monetary rewards amounting to Php5,916,765.78 for meritorious anti-drug operations during a simple rite conducted at the PDEA NHQ in Quezon City.

Inter-Agency Collaboration

DDB-Supply Reduction Committee (DDB-SRC)

The Supply Reduction Committee welcomes its newly appointed Chairperson, Director General Wilkins M Villanueva. Among his noteworthy accomplishments in the fight against illegal drugs is championing the Barangay Drug Clearing Program which has become the main strategy of the President's war on drugs.

As the new Chairman of the SRC, DG Villanueva's thrusts is to take massive and professional anti-drug campaign, while strengthening PDEA's collaboration with other law enforcement agencies thereby achieving a drug-free Philippines by 2022.

For the year, the SRC proposed and/or endorsed the following issuances to the Board for approval.

- DDB Resolution No. 2, Series of 2020 with Subject: Restructuring of the IIS into Intelligence Service and Investigation Service, Repealing for such purpose Board Regulation No.1, Series of 2017.

This was approved on June 18, 2020 during the first attendance of DG Villanueva to the DDB Regular Meeting.

- Board Regulation No.2, Series of 2020, otherwise known as the Guidelines in the Nationwide Implementation of Drug Clearing Program in Controlled Facilities for Persons Deprived of Liberty (PDL) which was also approved on June 18, 2020 during the 187th DDB Regular Meeting.

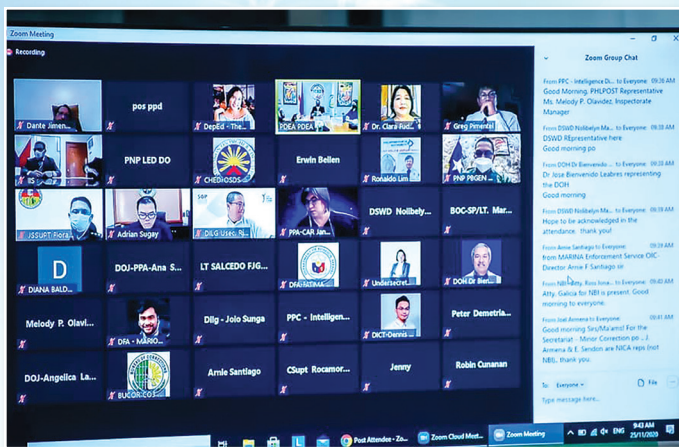

This policy aims to come up with a unified guideline in conducting Drug-Clearing Program encompassing all prisons/penitentiaries under the Bureau of Corrections (BuCor), all jails under the Bureau of Jail Management and Penology (BJMP), and all provincial jails under the Provincial Government towards a drug-free jail by 2022.

DG Wilkins Villanueva/ SRC Chairman presides over the 02-2020 SRC Regular Meeting together with thirteen (13) member-agencies and five (5) resource persons from concerned Services of PDEA through virtual platform.

- Proposed Regulation for the amendment of the reward system under "Operation Lawmen". The salient features of this policy include provisions on the amendment of the reward schedule, terms of office and manner of membership for the Oversight Committee, including granting rewards for marijuana seizures.
- Proposed Regulation repealing the Conduct of Controlled Delivery Operations. The present Board Regulation and its SOP will need to be revised in order to cope with the dynamics of the controlled delivery operations.

This has been in the working table of the SRC and needs to make further deliberation and review. The last meeting for this was held on February 20, 2020 and succeeding meetings will be scheduled to fine tune the details contained therein.

DG Wilkins Villanueva presides over the 16th ICAD Regular Meeting on November 25, 2020.

Inter-Agency Committee on Anti-Illegal Drugs (ICAD)

The Inter-Agency Committee on Anti-Illegal Drugs (ICAD) was created by virtue of Executive Order No. 15 signed by the President on March 6, 2017. On its 3rd year, the Committee continues its purpose to unify, integrate and synchronize the anti-drug strategy of the government through their commitment and collaborative efforts in addressing the drug problem in the country.

The Committee is originally composed of 20 member agencies with PDEA as its Chair. Pursuant to Section 1 of EO No. 15 Series of 2017, the ICAD may invite other government agencies and instrumentalities to be a member of the ICAD as it may deem necessary. Thus, the Committee has now recorded 46 member agencies which greatly contribute in the purpose of ICAD.

The ICAD has its four forces that are interrelated under Section 3 of EO 15 Series of 2017 (Clusters of the ICAD) namely enforcement, justice, advocacy and rehabilitation and reintegration. Each has its own respective functions and member agencies. These four clusters under ICAD are looking at one trajectory – to rehabilitate the nation and to achieve a vision of drug-resistant and self-policing communities in the country.

In 2020, Covid-19 pandemic has hit the country and the world causing abrupt pause around. Despite these circumstances, the Committee continues to stand and move towards its purpose. This year, the Committee has also transitioned into its new Chairmanship.

Being the 7th Director General of the Philippine Drug Enforcement Agency who was appointed on May 22, 2020 by the President, DG Wilkins M Villanueva, MPA, CESE and the new Chairman of the Inter-Agency Committee on Anti-Illegal Drugs (ICAD) showed himself as dedicated and determined as ever to achieve the desired result of the government's campaign against illegal drugs. He is indeed a man of action and full of passion in everything he does.

Further, with Vice President Robredo's short stint as ICAD Co-Chairperson in late 2019, President Rodrigo Roa Duterte also appointed Presidential Anti-Corruption Commission (PACC) Chairperson Dante Jimenez as the new Co-Chairperson of the Inter-Agency Committee on Anti-Illegal Drugs (ICAD) on February 21, 2020. The inclusion of PACC to the ICAD was approved through the issuance of ICAD Resolution No. 001 Series of 2020 re: Inclusion of the PACC as member of the ICAD under the Justice Cluster, and was adopted on January 14, 2020 through an Ad Referendum.

The ICAD held its regular meetings through video conferences on August 12, 2020 (15th ICAD Regular Meeting) and November 25, 2020 (16th ICAD Regular Meeting). In between, Cluster meetings were conducted and action taken were delivered through its Cluster heads, with their supportive and active member agencies. The Regional ICAD Coordinating Group (RICG) also managed to facilitate conduct of its meetings/activities on their area of responsibility with the regional member agencies, despite movement restrictions under the COVID-19 pandemic.

Task Force Drug Courier (TFDC)

Task Force Drug Couriers was created on February 08, 2010 by virtue of Administrative Order No. 279. It is an inter-agency team tasked in the deterrence, prevention and protection of Filipinos from being victimized as drug couriers by international drug trafficking syndicates.

TFDC is chaired by PDEA and co-chaired by the Department of Foreign Affairs, and composed of 13 member-agencies:

- Bureau of Customs
- Bureau of Immigration
- Commission on Higher Education
- Department of Justice
- Department of Labor and Employment
- Manila International Airport Authority
- National Bureau of Investigation
- Philippine Information Agency
- Philippine National Police - Aviation Security Group
- Tourism Infrastructure and Enterprise Zone Authority
- Office of the President thru the Office of the Executive Secretary

As mandated by the Task Force, on June 26, 2020, PDEA personnel conducted debriefing and interview to deportees from Embassy of Brunei.

Local and International Cooperation

Memorandum of Agreement and Understanding

The Agency believes that another approach to achieve its goal and mandate is to intensify its collaboration and coordination with various partners and counterparts. To expand the impact and the effect of the anti-drug campaign in the country, PDEA further reinforced its relationship with other countries, government agencies, government-owned and controlled corporations, local government units, non-government organizations and various sectors through forging agreement with these counterparts and partners.

At present, there are Memoranda of Agreement (MOA) and Understanding (MOU) with 11 countries. In addition, the Agency also signed 42 MOA/MOU with local counterparts for FY 2020.

MOA signing between PDEA and Anti-Money Laundering Council, which is represented by Atty George Racela, Executive Director, on August 11, 2020 at PDEA National Office.

Philippine Drug Enforcement Agency (PDEA) Director General Wilkins Villanueva and Bureau of Customs (BOC) Commissioner Rey Leonardo Guerrero renew a Memorandum of Agreement in a signing ceremony at the PDEA Grounds in Quezon City on July 14, 2020.

PDEA signs MOA with Rev Up Events and Management Services, which is represented by Mr. Renan Lopez, Managing Director of Pinoy Xtreme Channel, on September 23, 2020.

On September 23, 2020, PDEA signs MOA with Presidential Communication Operations Office (PCOO), People's Television Inc. (PTNI), and Bureau of Broadcast Services-Philippine Broadcasting Service (BBS-PBS).

Director General Wilkins M Villanueva and Mr. Erwin Tulfo sign a Memorandum of Agreement of production and airing of the television program "TUTOK PDEA, KONTRA DROGA (TAMBALANG TULFO –VILLANUEVA)" on September 23, 2020, at the PDEA Building in Quezon City.

Courtesy call/visit of Colonel Turki Alfaridi, Director of the Anti-Drug Office of Kingdom of Saudi Arabia and Mohammad Osman Ibrahim to the Director General, PDEA on November 25, 2020.

Courtesy Calls and International Meetings and Conferences

The drug problem is as much a global issue as the COVID-19 pandemic. Thus, amidst the COVID-19 threat, PDEA continues to enhance its linkage and cooperation with international counterparts.

On September 22, 2020, a virtual courtesy call and meeting with Australian Federal Police (AFP) Officers to the Director General, PDEA was held.

Courtesy calls and meetings with international counterparts were sustained. For the year, the following international counterparts made courtesy calls to PDEA.

- United Kingdom's International Crime Agency
- National Intelligence Service, Republic of Korea
- Taipei Economic and Cultural Office
- Royal Embassy of Saudi Arabia
- International Narcotics and Law Enforcement Affairs (INL)

- US Drug Enforcement Administration (DEA)
- Australian Federal Police
- Taiwan Coast Guard
- Embassy of Saudi Arabia
- Anti-Drug Office of Kingdom of Saudi Arabia

PDEA also continues to strengthen its partnership with foreign partners through participation in international meetings and conferences.

PDEA Administrative Accomplishments

Manpower Capability Enhancement

The Philippine Drug Enforcement Agency with a perspective of providing a human resource capability enhancement is a manifestation of an irreplaceable, valuable and sustainable assets of the Agency. Its commitment to providing a service-profit satisfaction and organizational effectiveness aligned with its mandate is typically measured based also on the level of manpower improvement.

The year 2020 is a challenging year for everyone as COVID-19 pandemic spread, affecting work arrangements which were put on hold and suspended. However, a call for promotion for every qualified personnel was a priority in order to continuously achieve the highest recognition and appreciation of every employee. Arrangements were made for

interviews and processing without compromising the IATF guidelines issued by the government.

For the year, 25 per cent of the vacant positions were filled out by hiring 86 new personnel, composed of 29 administrative personnel, 8 technical personnel, and 49 Drug Enforcement Officers (DEOs).

As of December 2020, 128 personnel were promoted based on the merits and qualifications issued in the Agency's Merit Promotion Plan. This number is composed of 70 Drug Enforcement Officers, 52 administrative personnel, and 6 technical personnel. This is an index that the Agency perceives as an equal opportunity to its employees, making everyone significant and worthy.

Oath-taking of Newly Promoted PDEA Directors.

Local Trainings

During the year, PDEA facilitated the conduct of specialized and skills enhancement trainings that boost the capability of personnel.

Seminar on Records Disposition Administration on January 10, 2020 at the Camelot Hotel in Quezon City. This was conducted to facilitate the implementation and supervision of proper records management.

Opening Ceremony of the Metrology and PDEA: Correct Quantity, Right Decision Training on March 2, 2020, at the National Metrology Laboratory of the Philippines, Metrology Building, Industrial Technology Development Institute, Department of Science and Technology Compound, General Santos Avenue, Bicutan, Taguig City. This was attended by PDEA Chemists and laboratory staff.

Foreign Trainings

PDEA kept its personnel adept with international drug trends and updates by participating in foreign trainings. In 2020, foreign trainings were participated by eight (8) PDEA officers and personnel.

Training on International Criminal Investigation conducted in Tokyo, Japan.

Table No. 16: Foreign Trainings Participated by PDEA Personnel

Fraudulent Documents and International Border Interdiction Training on February 9-20, 2020 in Bangkok, Thailand.

63RD Session of the Commission on Narcotic Drugs in Vienna, Austria.

Logistical Capability Enhancement

The core of achieving successful operational support and life of the Agency lies with its logistical capabilities and enhancements. This year, the impact of COVID-19 also challenged the Agency making some of our logistical equipment and procurement put on hold due to delays in global manufacturing and supply chain.

Whilst it is difficult to process our logistics because of lockdowns and border closures that restrict the movement of our supplies, we still managed to acquire and boost our logistics as DG Villanueva made it one of his top priorities.

On December 8, 2020, the new Logistics and Administrative Management Service (LAMS) building and the multi-level parking were inaugurated and blessed. The new building is expected to contribute in the productivity and efficiency of the Agency's personnel. The parking, on the other hand, will better secure the motor vehicles of the Agency.

The Agency also distributed the following equipment to the PDEA offices and operating units:

- 36 units of N21 and N22 Galil Ace firearms
- 506 units of body camera
- Ammunition
- Tactical uniforms
- Five (5) units of motorcycle
- 1 unit of ambulance

Assistant District Engineer Loida S Busa (left) and DG Wilkins M Villanueva lead the unveiling of the marker during the inauguration ceremony of the new PDEA LAMS Building.

DG Villanueva and Assistant District Engineer Busa also lead the ribbon-cutting during the ceremony.

DG Wilkins M. Villanueva gives his welcome remarks and inspirational message during the inauguration and blessing of the new PDEA Logistical and Management Service (LAMS) building.

Monsignor Gilbert Q. Sones officiates the blessing of the LAMS Building and the Multi-level Parking on December 8, 2020.

The new PDEA Logistics and Management Service Building and Multi-level Parking inaugurated on December 8, 2021.

Conduct of physical inspection for the newly procured ammunition, firearms and protective equipment.

Internal Cleansing and Integrity Enhancement

DG Villanueva urged to continue improving the reflection of every PDEA personnel in eliminating the bad eggs of the Agency particularly those involved in illegal drug activities.

A “Drug-free workplace” is highly respected and imposed along with the slogan in every office that unified everyone to “Make PDEA Great.” This year, five (5) erring personnel were dismissed, sixteen (16)

were suspended, one (1) employee was fined, and eight (8) employees were admonished.

The unyielding dedication of PDEA to beef up the character of professionals in the anti-drug campaign is a mark of building reputable and formidable Drug Enforcement Officers and personnel full of trust and high respect for people.

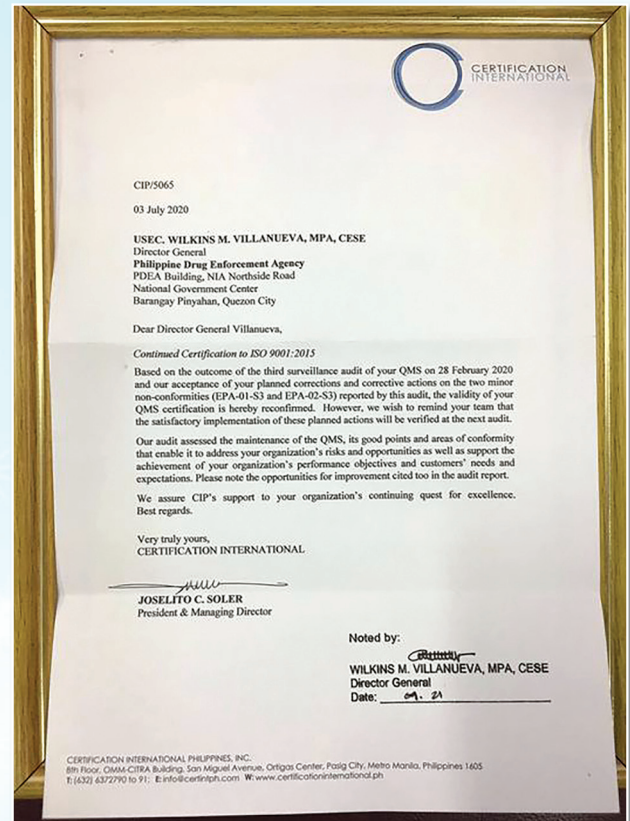

Director General Wilkins Villanueva, together with the PDEA Command Group and Directors, ensures that the personnel of the agency maintain their professionalism, dynamism, excellence and accountability that will “Make PDEA Great”.

Quality Management System

Through PDEA's dedication to international standard on quality management, the Agency maintained its ISO 9001-2015 certification after successfully passing the third and fourth surveillance audit by Certification International Philippines.

The certification is a proof that the Agency, particularly its enrolled laboratory and compliance services, is at par with international standards.

ISO Certificate.

DDGO Gregorio Pimentel presides over the ISO 3rd Surveillance Audit on February 28, 2020.

Meeting with DG Villanueva in preparation for the 4th Surveillance Audit.

PDEA ISO 4th Surveillance Audit.

PDEA's Response to the Pandemic

Amidst the COVID-19 pandemic, PDEA did not cease delivering its services to the public, while protecting its personnel and stakeholders from possible infection of the Corona virus.

Aside from observing health and safety protocols, PDEA institutionalized initiatives and procedures adaptive with the “new normal”.

Institutionalization of “New Normal” Procedures in the Conduct of Anti-Drug Operations

PDEA responded to the demands of the “new normal” by institutionalizing procedures that address the requirements and provide COVID-19 precautionary measures both for operatives and suspects. PDEA updated the procedures as needed.

Dr. Tristan Jediah Labitad, MD, Head of Non-Communicable Diseases of the Department of Health - Region 10, conducts a seminar regarding the latest update on the COVID 19 global pandemic.

Facilitation of the Conduct of Rapid Test and Swab Test to the Personnel

To promote the safety of the PDEA personnel from COVID-19, the Agency facilitated the conduct of rapid test and swab test to them. Procedures set by the COVID-19 Inter-Agency Task Force are observed.

Establishment of Isolation Facilities for Arrested Personalities. As part of its procedures in the “new normal”, PDEA established isolation facility for arrested personalities that are suspected to have Corona virus.

PDEA Personnel undergo RT-PCR at the PDEA Grounds as a health and safety protocol.

PDEA's 18th Anniversary Celebration

Amidst the pandemic, the Agency commemorated its 18th Anniversary through the conduct of various simple activities.

A solemn wreath-laying ceremony was held in honor of the fallen PDEA frontliners in the war on drugs. Secretary Catalino S. Cuy, Chairman of the Dangerous Drugs Board, was the Guest of Honor during the ceremony and was assisted by PDEA Director General Wilkins M Villanueva. The PDEA wreath-laying ceremony was held at the Honor Wall of the PDEA National Headquarters in Quezon City as part of the 18th Anniversary Celebration of Philippine Drug Enforcement Agency on July 15, 2020.

In addition, as part of the anniversary activities, a thanksgiving mass was also held which was attended by the Director General Wilkins Villanueva, the Command Group and the PDEA Directors, officials and personnel.

DG Villanueva and Secretary Cuy in front of the PDEA Honor Wall as they commemorate and honor the fallen heroes of the anti-drug war.

Thanksgiving Mass.

DG Villanueva and other PDEA officials and personnel attends the PDEA Thanksgiving Mass.

PDEA Christmas Celebration

The Agency celebrates this Yuletide Season with a thankful heart for the safety and protection of its personnel, and for the victory and success amidst the ongoing pandemic.

PDEA Director General Wilkins M Villanueva leads the Yuletide Kick-Off Ceremony Christmas Tree

Lighting together with Assistant Secretary Gregorio Pimentel, Deputy Director General for Operations; Director Randy Pedroso, Officer-in-Charge, Deputy Director General for Administration; PDEA Directors, Officials and personnel at the PDEA flagpole area, in Quezon City on December 1, 2020.

"Let the spirit of Christmas instill in us the hope in the attainment of our mandate, the faith in achieving our goals, standing proud armed with compassion and love as we face new challenges in the ongoing war against illegal drugs"

- Director General Wilkins M Villanueva

Director General Wilkins Villanueva, together with the Command Group composed of OIC, ODDGA Randy Pedrosa, DDGO Gregorio Pimentel and Chief of Staff Charlene Magdurulang and the PDEA Directors, opens the Agency celebration of the Yuletide Season with the PDEA Christmas Tree lighting.

Tungkuling Alay

*Composed and Written by: Mr. Arnil B. Biboso
Interpreted by: PDEA Choir*

Ito'y aming pangako bansa'y paglingkuran
Magandang kinabukasan alay sa kabataan
Tayo'y magsama-sama tungo sa tagumpay
Lakas ng PDEA ating iwagayway
Ito'y aming tungkuling alay
Na sa inyo'y ibibigay
Buhay ma'y iaalay kung kailangan
Sa tungkuling aming sinumpaang
Kahusaya't kakayahan tungo sa kaunlaran
Karangala't dedikasyon pamanang iiwan
Halina at kumilos tayo'y magpasya
Bansang ligtas sa droga hangad ng PDEA
Ito'y aming tungkuling alay
Na sa inyo'y ibibigay
Buhay ma'y iaalay kung kailangan
Sa tungkuling aming sinumpaang
